National Disability Employment Awareness Month October

Employment Makes Dreams Come True!

The Civitan Club of Pasadena believes that employment of individuals with disabilities enhances our community by building each employee's independence and increasing participation in community life. At the same time, negative stereotypes and physical and attitudinal barriers are eliminated.

While building an effective work force to provide goods, services and products to its customers, your company is giving

people with developmental disabilities a chance to participate in the American dream of opportunities --- to learn, work, succeed, and contribute to the community.

Look beyond the label of a disability and see a person who merits a chance at employment.

Join Pasadena Civitan by committing to making Pasadena a stronger, richer community.

Pasadena Civitan Employment Project
