

**Indian Sports TV is Offering the
Latest IPL 2020 Updates on its Online
News Portal**

Indian Sports TV is renowned for bringing the latest updates from the world of cricket, football, hockey, WWE and other sports. Sports enthusiasts prefer counting on this news portal for the accuracy and high speed of its new coverage. Of late, Indian Sports TV is providing regular information and updates regarding Indian Premier League 2020. This year, due to the COVID pandemic, IPL norms are different. IPL cricket tournament is going on these days in the UAE, with no spectators and media coverage. To keep people entertained, Indian Sports TV is making huge efforts to bring the after-match reports and highlights.

The spokesperson of Indian Sports TV in an interview stated, "COVID-19 has changed many things worldwide, and the Indian Premier League is no exception either. IPL 2020 is being held in the UAE because of the COVID-19 pandemic. Not just the venue but IPL 2020 is seeing several other changes also, such as no media and no spectators in the stadium. These new norms have come as a big blow for fans and even players are missing crowd while playing in empty stadiums. However, we are doing our best to keep sports fans entertained and updated."

For many of those looking for [IPL news live update](#), Indian Sports TV's news portal can be the best choice, as it offers live match scores, team information and IPL match schedules. People cannot go to stadiums today but this sports news portal is doing a great task of bringing IPL updates into every home.

No live press conferences are happening before and after the match this year to ensure the safety of players. However, virtual conferences are being organized before and after every match.

The spokesperson added, “Just like cricket, we bring the latest and accurate updates regarding other sports also, including football, Olympics and WWE. People can access live scores, read fresh articles and watch videos coverage of their favourite sports. We also organize games like My 11 Circle, Dream 11 and BalleBaazi on our online portal. There are some other games also, which people can play to win huge cash and other prizes.”

Indian Sports TV’s web portal can also be of great interest and benefit for fitness freaks, as they can shop for preferred sports and fitness equipment on this online platform. For example, there is an entire cricket store from where people can purchase various products, which comprises the latest collection of quality bats, protective gear, balls, complete sets, kitbags, shoes, bowling machines, bat grips and accessories, online. There is a budget store also, wherein people can shop for under INR 299, under INR 499 and under INR 999 products to suit their budget.
